DULEVO[®]
HYDRO POWER

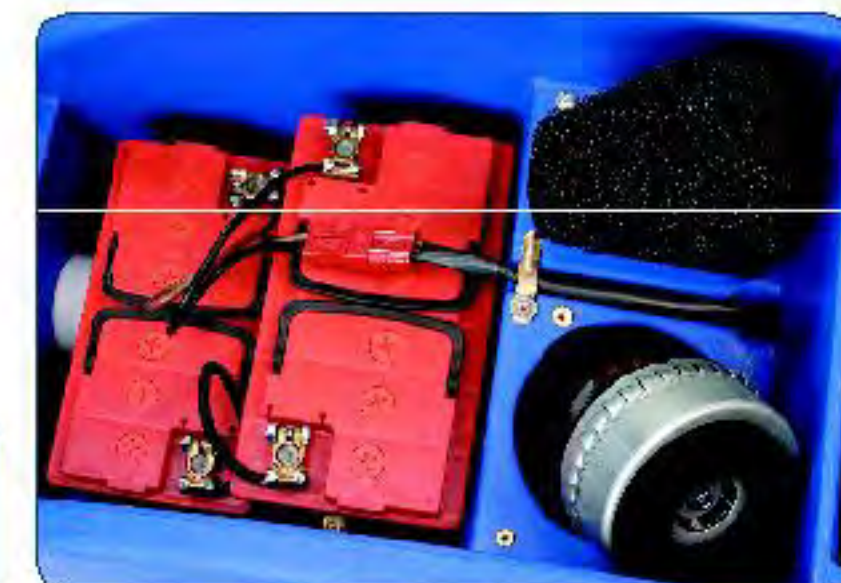

Versatility is 1st value

The Dulevo ENERGY 70 Litres scrubber-dryers models are ideal for supermarkets, factories, retail stores and communities.

Saved maintenance

Easy access the battery compartment, vacuum motor and filter.

Easy to use

The control panel is intuitive and ergonomic with clear symbols for immediate operation. The handle is functional and comfortable and makes it possible to operate the machine safely and easily. Most of the services are operated by levers placed under the instrument panel.

Squeegee unit

The squeegee unit is adjustable and well performing on any different type of floors. The rubber blades can be quickly replaced without using any tool.

On board

Battery charger ON BOARD available (optional).

Range:

H507 C
Scrubbing path 500 mm
Single brush
AC powered
Mechanical drive

H507 M
Scrubbing path 500 mm
Single brush
Battery powered
Mechanical drive

H507
Scrubbing path 500 mm
Single brush
Battery powered
Automatic drive

H557
Scrubbing path 550 mm
Two brushes
Battery powered
Automatic drive

H667
Scrubbing path 660 mm
Two brushes
Battery powered
Automatic drive
